

INITIAL AGENDA

<p>DAY 1: BAC NINH 12 Jun, 2024</p>	<p>FORUM SESSION</p> <ul style="list-style-type: none"> • Conference Agenda: Embracing Sustainability in Manufacturing • Theme: Circular Economy & Solar Solutions for Manufacturers • Target Audience: Manufacturers, sustainability professionals, investors, policymakers, solar solution providers, insurance companies
08:30 – 09:00	Welcome guest
09:00 – 09:10	Welcome Speech – Organizer
09:10 – 09:20	Greeting Speech – Partner
09:20 – 09:30	MOU signing Ceremony (optional) - LimpLoop
09:30 – 10:30	Opening Keynote: The Imperative of Sustainability for Manufacturers: Embracing Circular Economy and Solar Power
10:30 – 11:30	Panel Discussion: Investing in a Sustainable Future for Manufacturers (Capital Association, GIZ, Investor specializing in sustainable technologies) Exploring investment opportunities in circular economy and solar solutions for manufacturers, including funding mechanisms, risk assessment, and potential returns
11:30 – 12:00	Case Study Presentation: Solar Power Success Story – A Manufacturer's Perspective (Solar Edge) Topic: Implementing a successful solar energy solution for increased efficiency, cost savings, and environmental impact reduction. Case study insights on design, installation, and operational challenges.
12:00 – 13:00	Lunch Networking
13:00 – 13:30	Fire Safety in Solar Installations: Regulatory Requirements and Best Practices (Representative from the Government Fire Department) Topic: Understanding fire safety regulations and standards for solar installations on manufacturing facilities. Implementing necessary precautions and risk mitigation strategies.
13:30 – 14:00	Protecting Your Investment: Insurance Options for Sustainable Manufacturing Initiatives (Representative from an insurance company) Topic: Navigating the insurance landscape for circular economy and solar solutions. Exploring tailored coverage options and risk management strategies for manufacturers.
14:00 – 15:00	Interactive Workshop: Implementing Circular Economy Practices in Your Manufacturing Operation Facilitator: Sustainability consultant (consider GIZ) Topic: Practical tools and strategies for integrating circular economy principles into existing manufacturing processes, from reducing waste to resource recovery and closed-loop systems.
15:00 – 16:00	Panel Discussion: The Future of Sustainable Manufacturing: Challenges and Opportunities (Representative from a manufacturer implementing sustainable practices, Sustainability advocate, Policymaker) Topic: Addressing key challenges in transitioning to sustainable manufacturing, exploring policy advancements, and discussing emerging technologies and trends shaping the future of the industry.
16:00 – 16:30	Closing Remarks: Recap of key takeaways and call to action for embracing sustainable practices in the manufacturing sector.

DAY 2: BAC NINH 13 Jun, 2024	CONFERENCE AGENDA (Collab with association) KEY THEME: SUSTAINOVATION IN MANUFACTURING AND ELECTRONICS AUTOMATION AND BEYOND
09:30 – 10:00	Opening Remarks Electronics Market sharing by VEIA
10:00 – 10:30	Updates from VCCI for policies in manufacturing and sustainability
10:30 – 11:00	Sharing from GIZ (tbc)
11:00 – 11:30	BIZ-CONNECT Panel Discussion Dialogue Q & A
11:30 - 12:00	Presentation "Chip Mfg Process" by AEIS's members
12:00 – 12:10	Lucky Draw
12:10 – 13:00	Networking/ Luncheon
13:00 – 14:00	Best Practice sharing by VASI Case study consulting by PNQ
14:00 – 16:00	Workshop & Training Introduction of IPC Hand soldering Competition 2024 Co-hosted by IPC Organization
16:00 – 16:15	Certification for joining IPC Workshop and Confex By RX Tradex & IPC Organization
16:15 – 16:30	Lucky Draw SESSION CLOSING – FINISH 2 nd DAY
DAY 3: BAC NINH 14 Jun, 2024	FACTORY VISIT (TBC, exclusive available for VIPs with invitation)
<p>Note: Program updated as of March 2024</p> <ul style="list-style-type: none"> • (*) Speakers are subject to change without prior notice • Program content and topic are subject to change without notice • The program is free charge with limited seats available, please register to reserve your seat
